

Dear Friends,

On my last trip to India, I have visited the Beth El synagogue in Revdanda India. The synagogue, which is over 160 years old, is in a desperate state of disrepair. When I saw the awful condition of the synagogue, I took it upon myself to offer my help in any way I can. I have volunteered to raise funds on behalf of the synagogue here in the U.S.

The synagogue, which was built in 1842, is active and serves our community to this day. This cause is very important to me, as I would like to see the Jewish-Indian heritage preserved in India. It saddened me to see the state of such a holy place, but I am determined to help and make a difference.

On the next page, you will find a letter from the President and Committee of the Beth El synagogue authorizing me, Mozel Samson, to raise money on their behalf. The Synagogue and its members will appreciate donations of any amount.

Donation check/money are payable to:

Mozel Samson
82-39 134th Street
Apt. 1P
Jamaica, NY 11435

A receipt will be provided once I receive your donation.

Thank you for taking the time to read this letter. Your help and support is greatly appreciated.
